(b) About 50% of the faults were cleared within 24 hours and the balance were cleared progressively during the next 3 days except 4(four) telephones which took more time.

(c) All the numbers have been repaired.

(d) and (e) Does not arise.

Private telephone exchanges in Andhra Pradesh

3646. MISS SAROJ KHAPARDE: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that Andhra Pradesh may become the first Indian State to have private telephone exchanges;

(b) if so, the details thereof; and

(c) the names of the State/Union Territories which have any plans to have private telephone exchange during the Eighth Plan period?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) to (c) National Telecom Policy, 1994 permits Companies registered in India for operating basic telecom services in the country to supplement DoT efforts. A number of proposals have been received for providing basic telephone services, including in the State of Andhra Pradesh by Private sector. The guidelines in respect of the National Telecom Policy, 1994 are under active consideration of the Government based upon which decision will be taken on the proposals.

Short Listing of Compaines for Cellular Telephone Services

3647. SHRI SANJAY DALMIA:
SHRI J. S. RAJU:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether the companies responsible for operation of cellular mobile telephone services in the four metro cities have been shortlisted; and

Value Added Telecom Services

3648. SHRI V. NARAYANASAMY:
SHRI S. AUSTIN:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Government are aware that Value Added Telecom Services can provide employment to large number of educated unemployed graduates and provide much needed orders to the Indian electronic equipment manufacturing Industry; and

(b) if so, what is Government doing to expedite these projects particularly in the light of reports appearing in the press that FIPB is delaying project approvals in this area?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) The Government is franchising Value Added Services to Indian Registered Companies on a non-exclusive basis. It is expected that these services will provide employment and orders to the Indian Electronic Equipment Manufacturing Industry. As such the Department has not done survey because these services will be operated by the Lincensees.

(b) No projects in Value Added Telecom. Service is being delayed on account of FIPB approval.

Investment proposals to provide value added telecom services

3649. SHRI V. NARAYANASAMY:
SHRI S. AUSTIN:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that FIPB decided to with hold approval to foreign investment proposals by Indian Companies to provide Value Added Telecom Services such as Radio Paging etc. for cases which have been granted licences by the DOT, after due tendering process; and

(b) if so, whether any change in foreign equity norms, post tender, lead to possibility of litigation in Courts and stall the whole process of value added services implementation as in the case of the cellular phone?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) No Sir.

(b) Does not arise in view of (a) above.

Telephones in hospitals in Andhra Pradesh

3650. SHRI V. HANUMANTHA RAO: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Andhra Pradesh Telecom has been aware that no hospital in the District
